

Kia ora te whanau

Apologies if our modes of communication haven't been effective. I take full responsibility for this as in my mind the communication regarding our swimming sports today went out on varying modes of communication, however this was not the case. This is important to me that we have all parents/whanau informed of events, cultural activities and any teaching and learning information in a timely manner. Please complete the survey with your up to date contact details and your preferred mode of communication. We want to break down any barriers that we are currently experiencing so we can communicate consistently and effectively. As we endeavour to do better.
