

Firth Primary School Covid Update Friday 25th Feb 2022

We have 4 confirmed, positive cases at Firth Primary School, identified today. As we have moved into Phase 3 at 11.59 pm last night, only those people who live in the house with the positive case are close contacts and must stay home for 10 days. Those students and whanau are currently self-isolating and are in contact with the school. All other students are welcome at school and classes will continue as normal. If your child has symptoms or is unwell, keep them home and get tested. All positive cases must be reported to our school Principal. This information is confidential so please respect our whanau during this tricky time. Please follow the steps on our schools flowchart on our website. If you have any questions or queries please contact covid_response@firth.school.nz or txt 0211157874.
