

# Firth Primary Swimming Sports

Due to the current situation of Covid positive cases in our school we have had to think creatively regarding events at Firth Primary School. One of these is our School Swimming sports. We needed to make a decision and I know that some of our students will miss out this year due to being at home isolating, however, if we delay this any longer the weather will be against us and will be too cold to swim.

Our non-competitive swimmers and Junior Swimming Sports will take place when we have our staff back on board. We anticipate this to be within the next 2 weeks. Hopefully we will also have most of our students back for a fun day of swimming.

Our Senior swim club will swim on **Wednesday 16th March from 10am - 1.00 pm**. They will compete in time trials. We will live stream the event on facebook as we cannot have spectators. Students involved in this event will bring home a letter this afternoon, Friday 11th March 2022.
