

Swimming

Due to the sudden change in weather today will be our last day for swimming. We will postpone our swimming show case for our Juniors and non swimmers in term 4. Our senior time trials have been completed and we will present these students next Friday 1st April at the senior Team assembly.

Jackets

Thank you to kids can for supplying us with jackets to keep us warm during the cooler weather. If your child did not receive a jacket, we have some on order and will distribute these when they arrive.

Firth Primary School

25/03/22

Covid Update

We have had 97 positive cases across the school since our first case 4 weeks ago. The number of cases have decreased this week with our total for the week being 4. It is nice to see our students and staff returning from isolation and reconnecting with each other.

Sports Notices

Notices have been given out to students who have expressed interest in playing hockey and netball. Please check book bags and school bags for these.

Student Council and Whanau Team Captains

Thank you to our senior students who have applied to take on these leadership roles. We will announce these at our Senior Assembly next Friday 1st April.

Have a great weekend!!!!
