## **Orange Traffic Light!**

## **What does this mean??**

We are excited to be moving to orange next term. Our students no longer need to wait outside the school grounds before school. Students will be dismissed from their classrooms at the end of each day. Parents/Whanau are welcome to collect students from their classrooms. We will be encouraging that our students in years 4-6 and any parents within the school grounds continue to wear masks, however these are no longer mandatory. We will continue with our hygiene processes with sanitising and if your child is unwell please keep them home. We will continue to keep you informed if these requirements change.
