

Firth Primary School Update Health Notice Public Holiday

Yesterday the Prime Minister announced that NZ will move to a new, long-term approach to COVID-19. Household contacts of a person with COVID-19 no longer need to isolate, however they will need to complete a RAT test each day for five days. Therefore students who are household contacts but test negative should continue to attend school. Masks are no longer required and we will continue with our hygiene practices to sanitise, ventilate and if your students are unwell please keep them home.

We are saddened by the passing of Queen Elizabeth II. The Prime minister has announced NZ will have a one-off Public holiday on **Monday September 26th** as a memorial day. School will be officially closed on this day
